

Review

Things to do at the Weekend

At the weekend, I enjoy doing different [redacted], but some are better than [redacted]. Going hiking is one of the [redacted] [redacted] things to do. It's not [redacted] good for your health, [redacted] you can [redacted] enjoy beautiful [redacted]. It's [redacted] [redacted] than just staying at home.

Watching films is a [redacted] activity. I like it [redacted], especially when I'm tired. But it's not [redacted] active [redacted] playing sports. Playing football with my friends is more fun and a [redacted] way to spend time [redacted]. It's also a good way to stay [redacted].

Going shopping is [redacted] than doing sports, but I don't enjoy it too [redacted]. It can be a bit [redacted] if you go [redacted] often. Visiting museums is [redacted] [redacted], but sometimes they are too [redacted] for me.

In my [redacted], hiking is the [redacted] because it's **fun, healthy, and** never boring!
