Tom's Cartoon BLOG

I like watching cartoons very much. My favourite cartoon is *The Simpsons*. It's very funny. *The Simpsons* is a famous American TV programme and I am a very big fan of it. It's the story of a family in a small town in the United States. Homer and Marge are the parents of three children, Bart, Lisa and Maggie. Lisa is my favourite because she's very clever, but Bart is fun too. Maggie is a baby. She doesn't talk at all.

In the UK, you can watch *The Simpsons* on Channel Four. It's on TV every night. I often watch it with my brother and sister. We can also watch every programme on demand and we like to watch them again and again. I sometimes stream episodes on my tablet because I have homework in the evening, so I watch them when I finish, or the next day.

Last week, I had a big surprise. I met Lisa Simpson! Yes, really! My mum has a Spanish friend and she came to visit us at home in England. She's an actress and her job is doing the voice of Lisa Simpson in Spanish. My mum's friend is an adult, but she can speak with a little girl's voice. It was very funny to listen to her! I think Spanish children like *The Simpsons* the same as I do.
