PASSAGE 7

Tra ID Đề [5757] - Tra ID Video [5758]

Many large cities around the world have struggled to (1) _____ with the increase in traffic in recent times. Densely populated areas, growing car ownership, as well as narrow roads brought much lower volumes of traffic, all contribute to this. In 1975, Singapore decided to introduce a congestion charge - a (2) _____ paid by drivers entering the most traffic-heavy zones of the city. London introduced a congestion charge in 2003.

Public opinion was initially opposed to the idea, (3) _____ people soon became more supportive of the scheme. Despite this, its first decade brought mixed success, and the (4) _____ of cars in the city fell by only 10%. However, the scheme proved massively profitable, (5) _____ allowed the city council to invest in other measures aimed at improving traffic conditions in London. These included cycle lanes, pedestrianized areas and better road surfaces.
