

Lucas: Hey, Maya. Are you heading to the gym for volleyball practice now?

Maya: Hi, Lucas. Yeah, I have volleyball practice today. I enjoy it a lot. Do you have Practice today?

Lucas: No, I have volleyball on Thursdays. My favourite subject is science. What's yours, Maya?

Maya: I love English. I have it four times a week. How often do you have science?

Lucas: I have science twice a week and English three times a week. Oh, there's Oliver! Let's go talk to him.

Maya: Hey, Oliver. Are you in the math classroom for class?

Oliver: Yup, I have Maths today. It's my favourite because I like solving problems. Do you guys have Maths today?

Lucas: No, my Maths class is on Tuesdays.

Maya: I have Maths on Wednesdays.

Oliver: Looks like we all have History on the same day, though!

Lucas: Right! See you all on Friday for History.
