New Olympic Sports

Baseball

This sport is known all around the world. Baseball is a team sport. Each team has nine players. There are four bases in the shape of a square, and a player can run to a base only when he or she hits a ball into the field. The goal of the game is to run across all the bases to reach home base. That's called a "run." The team with the most runs is the winner.

Skateboarding

Skateboarding is a very popular sport, but it can be dangerous. The athletes do lots of different activities. They skate up bridges and down streets. They even race up and down stairs. The judges decide which athlete performs the best.

Sport Climbing

Sport climbing is another dangerous sport. It is like rock climbing, but in this sport, the athletes climb up walls. They have to use both their hands and their feet. They need to be very strong to climb up the wall quickly on their own. Three judges decide who the champion is.

Surfing

Surfing is a popular sport all over the world. It takes a lot of effort to stay on a surfboard, and it can be dangerous. The surfers need to reach the beach without falling off. Five judges give scores to each surfer, and the winner is the one with the highest scores.

Word Meanings:

1. Baseball = כדור בסיס
2. Skateboarding = גלישה בסקייטבורד
3. Surfing = גלישת גלים
