Dear Elisa,

Thanks very much for your email. It was fun to read about the places you find (1) _____.

I also like going to museums in my free time. There are several museums in my city, but I like the Museum of Fine Arts the most. I love art, so (2) _____ I have free time, I go to this museum. There's a great mix of art from across the eras including some really impressive modem Vietnamese paintings. What I especially like about the museum is that (3) _____ of its galleries have an introduction in Vietnamese, English, and French. It means that I can learn lots of English while enjoying the artworks. Another place of interest (4) _____ I love is the local park. It's near my house, so I go there almost every day. Sometimes I go (5) _____ a walk around the park with my mother. Sometimes I choose a beautiful place in it to sit and draw some sketches. And sometimes I just sit on a bench, doing nothing, just watching people passing by. It's really relaxing.

I hope someday I'll have a (6) _____ to visit your National I Portrait Gallery and Hyde Park.Until the next email,Helen.
