Lasaeo

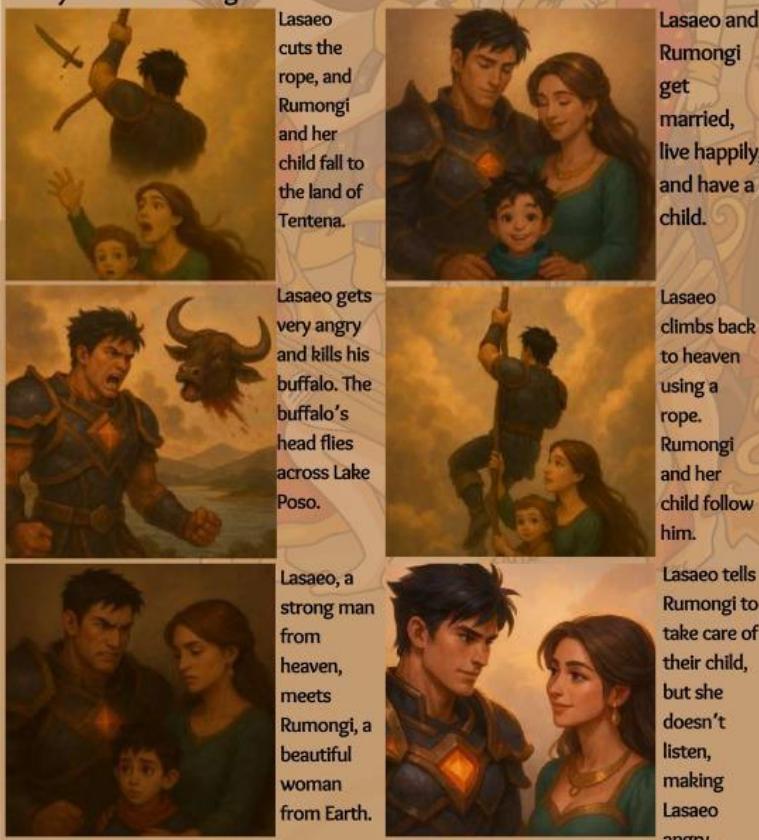

Lasaeo, a mighty man came from the land of heaven and came down to earth. When he set his foot on earth, he met a beautiful earth woman named Rumongi. Long story short, he married the beautiful woman. They lived well and were blessed with a child.

Once, Lasaeo ordered his wife to take care of their child. However, his wife did not heed the order which in turn infuriated Lasaeo.

Due to unstoppable anger, Laseo slaughtered his own buffalo. The buffalo head bounced off and flew far across Lake Poso. Then, after the incident Lasaeo returned to the land of heaven using a rope. Hearing this, Rumongi and his child followed her husband to heaven. Unfortunately, when she and her child were in the middle of the rope, Lasao cut the rope so that Rumongi and her child fell. They fell with ropes tangled in the border land of Tentena.a
