

Subject: Let's play this weekend! 🏈 🔥

Hi Luis,

How are you, bro?

I wanted to ask if you're free this Saturday. The boys and I are playing a football match at the park at 4 p.m., and it's going to be ____! Last time, you scored two goals — you were the ____ 🐾

We'll play against the team from the next neighborhood. They talk a lot, but honestly, we can _____ if we all show up. 😎

Don't forget to bring your cleats and water. Oh! And tell Daniel not to be late again — he always arrives when the game is already _____!

Let me know if you're in. It's going to be fun.

_____, we really need you on the team.

____, if we win, we're going for tacos after. 🌮

Cheers,
Andrés
