#### The South American surfer

Riding the biggest waves on the Atlantic Ocean is one of the most exciting sportspeople in South America. Her name is Silvana Lima and she is the best surfer in Brazil. But she has had to fight to find the money to enter sporting competitions. Why? <sup>1</sup> \_\_\_\_ They were more interested in what she looked like than what she could do on the sea.

Silvana was seven when she started surfing and has been surfing for 23 years. She has always surfed with the boys and wanted to surf like a man, so she has a very special style of surfing for a woman. She has been the best Brazilian female surfer eight times. <sup>2</sup> \_\_\_\_ She says that she started to ask companies which sell surfing sports clothes to sponsor her. But they all said 'no'. She thinks it was because she doesn't look like a beautiful model from a magazine. And she thinks it's unfair because sportsmen don't have the same problems.

<sup>3</sup> \_\_\_\_ They lived in a simple hut on the beach and she used to imagine what it would be like to live in a real house with next-door neighbours. She built her first surfboard with a plank of wood and from that day surfing changed her life. Eventually, after thirteen years, an important sports company said it would back her and pay for her to take part in surfing competitions. And this meant that at last surfing could give her the chance to help her family too.
