Second-term exam: Reading (form B)

Reading

1 Read the text. Then complete the sentences with the correct names.

Hi! I'm Alejandro. My mum, dad, sister, and I are all different, but my family are very important to me. I really like gaming, music, and sport, but my sister, Lucía, only likes magazines and surfing the internet. She's got different interests, but I really like her. My mum and dad are great, too, but they don't like gaming or music. They like films. My friends have got the same interests as me. I like them a lot. Benjamín has got a great games console in his house – he likes gaming. Kiara likes sport and she really likes football. I like it, too. My friends are very special to me.
