

Where Have You Been, Mia?

Mia is a cheerful girl who loves trying new things. Today, she arrives at school with messy hair and muddy shoes. Her friend Leo looks surprised.

"Where have you been, Mia?" he asks.

"I've been in the forest!" Mia says with a smile.

"The forest? What were you doing there?"

"I was walking my dog, Max. We saw a deer and followed it. Max ran, and I had to chase him. I fell in the mud!"

Leo laughs. "You always have the best stories."

Mia nods. "And the best adventures!"

"Have you ever been to the forest before?" Leo asks.

"Yes! I've been there many times. But today was the messiest!"

Answer the following questions according to the Reading:
