Read the following paragraph and answer the questions.

One evening Appu went to the birthday party of his friend Abhi. He ate many sweets there, but he liked the carrot halwa very much. Appu wanted to have more carrot halwa. Appu ran to his mother and said, "Amma! I ate carrot halwa at Abhi's birthday party. It is very tasty. Please make it for me every day". "No my dear, eating too many sweets is not good for your health and teeth. You are a growing boy and you need healthy food. Appu looked upset. So, his mother said I will tell you what? We can grow our own carrots in our garden and then you can have fresh carrots everyday. But not halwa." Appu understood what his mother told him and he felt happy again.
