Indisposed woman doing, worrying all passengers about similar symptoms of Coronavirus

She is married to the Arabian husband, a bit bossy and knows how to fly airplanes.

A person who does not know how to pronounce the letter "r", and is of Asian origin.

Elderly person, who is half deaf. He often responds to what he thinks he has heard, which causes comical situations and endearing misunderstandings.

Educator, from the Can Margarit institute.

A violent person, who has a bomb in his backpack, and in order not to use it all the passengers have to give him all their jewelry. But he forgets the boomba at home.
