

My favourite holiday destination

Hello! My name's Luke and I'm from Scotland. Every year my family and I go on holiday to Tobermory, in Scotland. Tobermory is a fishing village on the Isle of Mull. We go camping there.

We stay at a campsite on a farm near the village. The farmer is always very friendly. Every morning I go for a walk with my mum and sister and in the afternoon I play golf with my dad.

On one day of the holiday, we go on a fantastic boat trip. On the boat trip you can see dolphins, eagles and seals. The boat trip is the best part of the holiday. The day before I have to go home, I am always sad because it is a beautiful place and I love it there.
