

- Maths / Art is my favourite subject. I love difficult sums.
- I don't like PE / Food Technology when we go outside.

I prefer it inside.

- This year I want to study Shakespeare in Science / English.
- I never remember all the dates in History / ICT.
- Geography / English isn't just about countries.

It's also about population and people.

- Music / Spanish is gracias this year.
- I love Art / DT because we can be creative and use colours.
- I don't enjoy Science / PE when it's too hard or tiring.
- This year I want to improve my speaking in Spanish / English.
- I always forget my kit for PE / Music.
- History / Drama helps me understand the past by acting it out.
- Food Technology / DT is fun because we get to make real things.
- I don't like learning too many numbers in Maths / ICT.
- English / Music helps me with my creativity and imagination.
- I enjoy Geography / Science because we learn about the Earth and nature.
- I get nervous in Drama / Spanish when I have to speak in front of people.
- I always look forward to Art / Food Technology.
- PE / Maths is hard when we do running and calculating times.
- This year I want to design something cool in DT / Art.
- I can't remember the capitals in Geography / Spanish.
- I find History / English interesting because of the stories.
- I don't like doing group work in Drama / Science.
- I think ICT / Maths is useful for the future.
- I enjoy Spanish / Music because I love sounds and rhythms.
- I want to learn more recipes in Food Technology / DT.
- English / Geography is helpful when we talk about world issues.
- I find it difficult to understand some topics in Science / ICT.
- I really like working with others in Drama / PE.
- I like learning about space in Science / Geography.
- I want to get better at writing in English / History.
