### HOW TO SCORE

**Is your score between 12 and 15?** Congratulations, you are extremely organized. Are you maybe too organized? How good are you at adapting when your plans change? Try to be tolerant with other people who are not as organized as you are.

**Is your score between 9 and 11?** You are organized in some aspects of life, but less in others. Maybe you need to make some small changes. Look at your answers again. Did you score 1 for any of the questions? Are you happy with those answers?

**Is your score between 5 and 8?** You are extremely disorganized. Do you know what day it is? Do you know what YEAR it is? Sometimes it's good to be spontaneous, but you definitely need to be more organized.
