E Complete using the words in the box.

addition • balance • exercise • fight • injury • operation • shape • treatment

Help yourself to stay healthy

Doctors are useful. If you've had a/an (35) while doing sport, they can fix it. If you're ill, they can tell you what the best (36) is. If you're very ill, you might have to have a/an (37) in hospital. We need doctors for all of these things. But in (38) to what doctors do, there are things that you can do yourself in the (39) against ill health. Getting regular (40) at school or at a gym will help you to stay in (41) Having a healthy diet will also keep you strong. A healthy diet is all about (42) It doesn't mean never eating chocolate. It means not eating too much. And eating vegetables, too! The more we can look after ourselves, the less we'll need doctors to look after us. And that must be good!
