Guess My Word!

Instructions

1. Work in pairs.
2. Each student chooses one vocabulary word from the list.
3. Without saying the word, give clues or act it out (like **charades**).
4. Your partner guesses the word.
5. Switch roles.

Example:

Clue: "You need this to ride the bus or train!"

Answer: Ticket

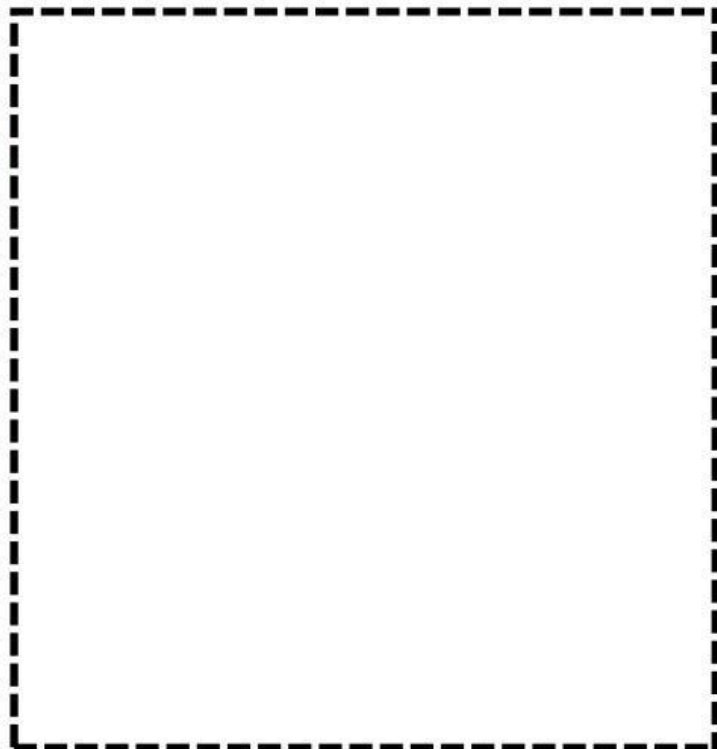

Visual Vocabulary

Draw a simple picture for each of these words in the boxes below

- **Bus stop** – A place where people wait to catch a bus.
- **Traffic light** – Signals that control vehicle and pedestrian traffic.
- **Crosswalk** – The white-striped area where pedestrians safely cross the street.
- **Platform** – A place in a station where passengers get on/off a train.

REFLECTION

How does this help?

This activity helps students connect words with actions, images, and meanings. It is interactive, memorable, and uses different learning styles.
