

Name: Grade 7/

Math

Date: 16 / 3 / 2021

Circumference
 $= \pi \times \text{diameter}$
 $= \pi \times \text{radius} \times 2$

Calculating the area and circumference of a circle

Area
 $= \pi \times \text{radius}^2$

Find the circumference and area and of these circles

Circle	Circumference	Area
