There are many signs in public places. You will see a sign that says no smoking in gas stations, hospitals, government offices, etc. You will see a sign that says silence in libraries and schools where the examination is in progress, meaning you have to keep your voice down and do not make so much noise.

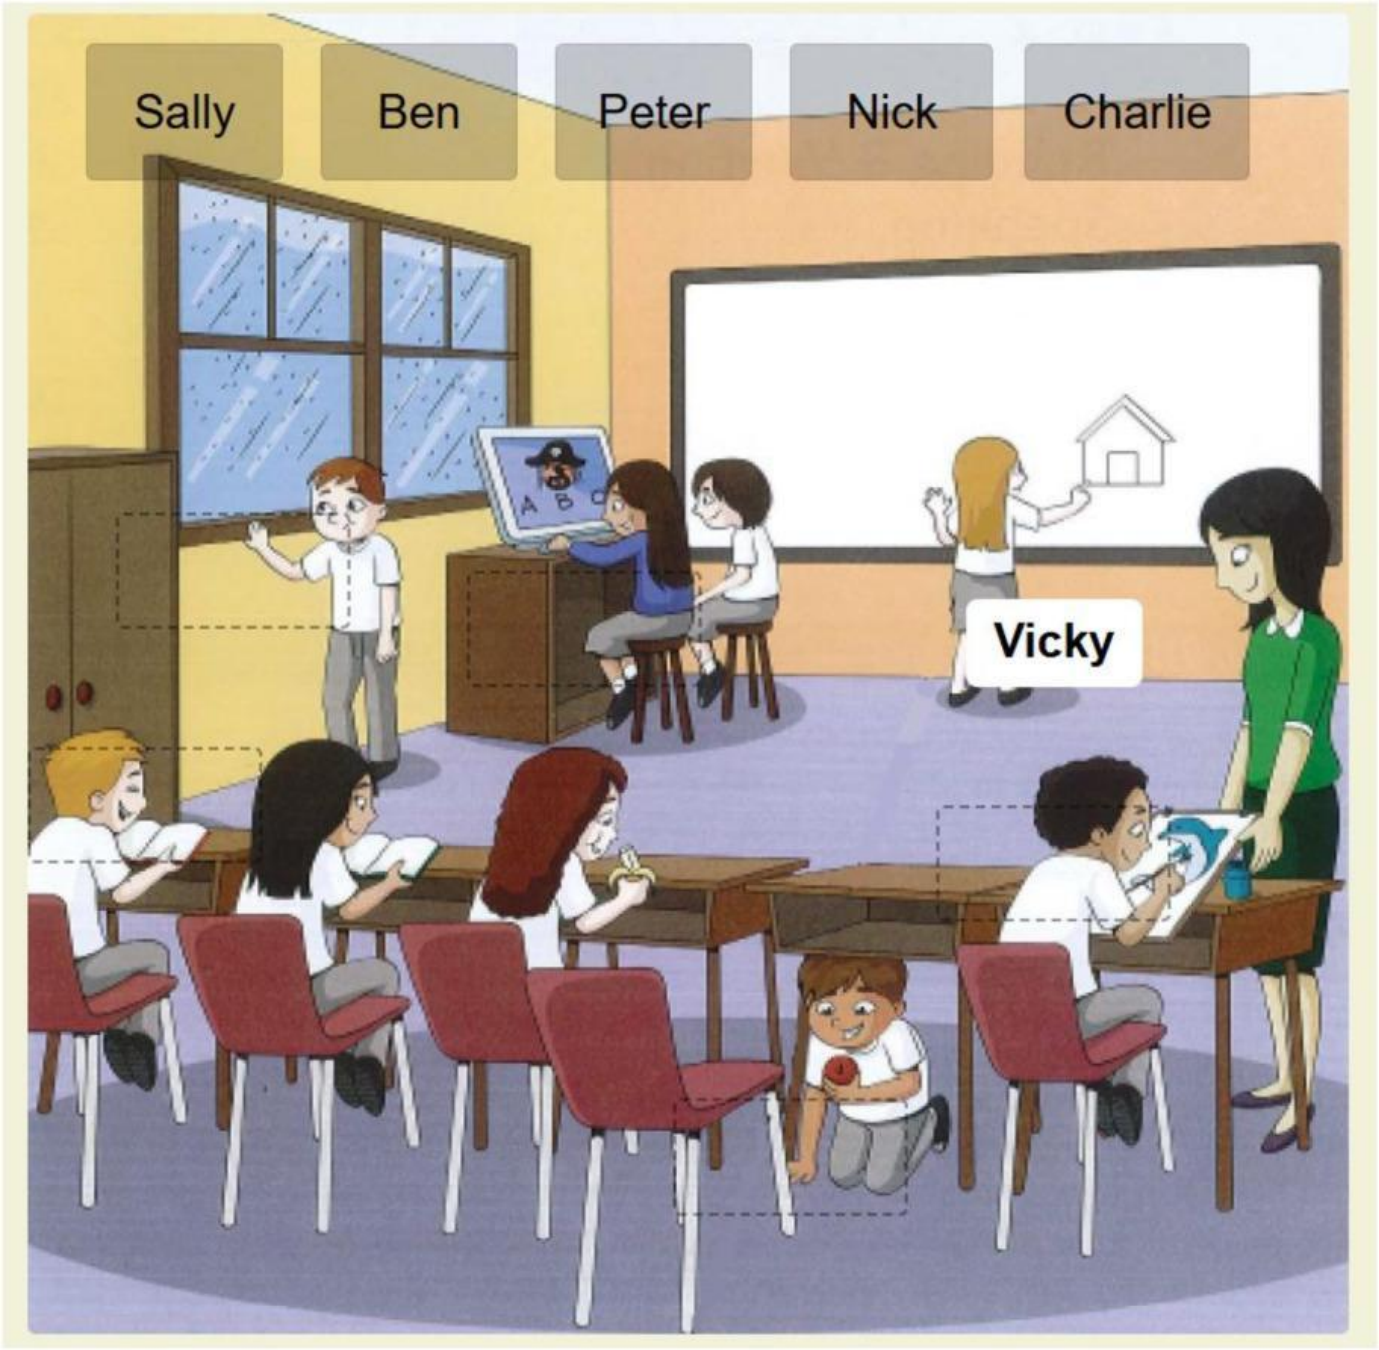

It is very important to obey and follow the road signs. They will keep us from dangers that can cause harm and put us at risk.

1. You can find the signs in public places.
   True False
2. You can find "no smoking" sign at the hospitals.
   True False
