

6. The actress wore a gorgeous gown to the gala.

*To arrive or appear at a place or event.*

7. I can't believe it - I arrived on time, but she showed up an hour late!

*To imitate or do the same as others.*

8. She ordered a tequila soda at the bar, and her friend followed suit.

*Providing everyone with what they need, instead of giving everyone the same thing.*

9. The activists fought for a society based on equity and justice.

*Traditional or based on established customs; not modern or innovative.*

10. My parents are very old-school - I have to address them as "sir" and "ma'am".

*A formal dress, typically worn on special occasions.*
