Last (0) spring. I visited London with **(1) my cousin** for the first time. We stayed for **(2) five days** in a small hotel in Camden. The weather was typical – rainy and sometimes **(3) sunny** – but we didn't mind.

We went for **(4) a walk** in Hyde Park. Then we visited Buckingham Palace and saw the Changing of the Guard. It was very crowded, but **(5) exciting**. After that, we went to the Houses of Parliament and took lots of photos of Big Ben.

One afternoon, we went on the London Eye. The views of the River Thames and the city were **(6) fantastic**. We also visited the Tower of London and saw the Crown Jewels.

In the evenings, we had dinner in different **(7) pubs** and tried traditional British food. We also saw a musical in the West End. The music and costumes were **(8) amazing!**

On the last day, we did some **(9) shopping** in Oxford Street and bought **(10) souvenirs** for our family.

It was a wonderful trip and I want to go back. That was one of my favourite holidays.
