

Excuse me, ...	I'm sorry to interrupt, but ...	Sirat, can you add anything here?
What about you, Ziyi?	Let me finish, please...	Could I say something?
To get back to what I was saying, ...	Where was I? Oh yes, ...	I think you're right that...
Sure, but what about...	This is because...	I have some doubts about that.
Let me give you an example.	Personally, I think that...	To begin with...
And another thing is...	What do you mean by that?	Before we go on, ...
Let's hear from Hakan.	As far as I'm concerned...	That's a good point.
