Questions 21 -25

KET02T8P5

Woman: So, what kind of things do your children like doing?

Man: George loves 1. He reads anything.

Woman:

I wish Henry did! Henry spends all his time in front of a 2. screen. I keep telling him to go outside, but he doesn't listen.

Man:

Edward was like that, but he's changed. He's on the school 3. team now!

Woman:

That's great!

Man:

Yes, he loves 4. like chess, but he doesn't do much exercise.

Woman:

And Annabel?

Man:

She's the 5. of the family. She plays in a band with some friends. They make a terrible noise! Luckily, they don't practise at our house.

Woman:

She sounds very different to my Sophie.

Man:

Is she the dancer?

Woman:

You're getting Ellie and Sophie mixed up. Sophie is the one who loves 6. She loves going to see 7. with the very modern stuff, and she 8. quite well herself. Ellie is the one who's always practising in her bedroom. I can hear her 9. around, and she sometimes bumps into the 10.!

Man:

We can't get any of them to do things with us.

Woman:
Same here! Not even Henry.
