

Hi! My name is Laura, and this is my family. I live with my parents and my two brothers. My mother's name is Clara and her job is teaching. My father, Roberto, is a doctor. His hospital is near our house. I have two younger brothers. Their names are Mateo and Lucas. They love playing soccer. Our family is very close and we spend a lot of time together.

Now let me tell you about my best friend's family. His name is Alex. Alex's mother is an artist, and his father is a chef. His mother's paintings are beautiful! Alex's sister, Valentina, is very smart. Her favorite subject is math. They also have a dog. Its name is Bruno.

I like spending time with Alex's family. We sometimes visit their house on weekends. We play games, eat dinner, and talk a lot. Both of our families get along really well!
