MATCHING THE CONDITIONALS

If I had more money,

I would teach science.

If she studied harder,

I'd travel around the world.

If he were taller,

we would help you.

If we knew the answer,

you'd become a musician.

If they lived closer,

she'd get better grades.

If you practiced every day,

I would move to Paris.

If I spoke French,

we would go to the park.

If it didn't rain so much,

she'd learn how to paint.

If I were a teacher,

we'd visit them more often.

If she had more free time,

he would play basketball.

If I were the president,

you'd feel better every day.

If you ate healthier,

I would make education free.
