

Read the following advertisement and mark the letter A, B, C or D on your answer sheet to indicate the option that best fits each of the numbered blanks from 1 to 6.

SOARING HIGH WITH SPACE TOURISM

Have you ever dreamed of (1) _____ the stars and exploring the mysteries of outer space? Now, with **CosmoVentures**, your dream can become a reality. Our innovative space tourism program offers an unforgettable journey, (2) _____ adventure, luxury, and cutting-edge technology.

Why Choose Cosmo Ventures?

Advanced Spacecrafts: Equipped (3) _____ the latest technology, our spacecraft ensure safety and comfort for all passengers.

Eco-Conscious: Enjoy your unforgettable journey, confidently knowing we've carefully (4) _____ significant steps to drastically minimize our substantial carbon footprint with our (5) _____ systems.

Expert Training: All participants receive (6) _____ training to prepare for an unforgettable experience in zero gravity.

Start Your Cosmic Adventure Today

Visit **CosmoVentures.com** to learn more and book your ticket to the stars. Discover how we're bridge the gap between dreams and reality. Let's shape the future of travel, one journey at a time.

Question 1:

- | | |
|-------------|-------------|
| A. reach | B. reaching |
| C. to reach | D. reached |

Question 2:

- | | |
|-------------|---------------|
| A. combine | B. Combining |
| C. combined | D. to combine |

Question 3:

- | | |
|---------|-------|
| A. with | B. to |
| C. for | D. by |

Question 4:

- | | |
|---------|----------|
| A. made | B. Done |
| C. kept | D. taken |

- | |
|---|
| A. highly innovative and eco-friendly propulsion |
| B. innovative and eco-friendly highly propulsion |
| C. propulsion of highly innovative and eco-friendly |
| D. highly and eco-friendly innovative propulsion |

Question 6:

- | |
|------------------|
| A.comprehensible |
| B. Comprehensive |
| C. comprehend |
| D. comprehension |

Read the following leaflet and mark the letter A, B, C or D on your answer sheet to indicate the option that bestfits each of the numbered blanks from 7 to 12.

Protecting Our Cultural Heritage

☐ Cultural heritage is a precious gift handed down from our ancestors. It reflects the identity and (7) _____ of a community, connecting the past with the present and guiding us into the future. However, the effects of urbanization, climate change, and neglect have put many cultural sites (8) _____ risk.

◆ Key Challenges:

Each year, thousands of historic landmarks and artifacts are (9) _____ due to environmental factors or human activities. In addition, a lack of awareness among local communities has hindered efforts to protect these treasures for future generations.

◆ What Can We Do?

Promote cultural tourism while (10) _____ the integrity of heritage sites.

☐ Support educational programs that highlight the (11) _____ of preserving cultural artifacts.

☐ Encourage (12) _____ individuals to participate in conservation projects, such as restoring old buildings or cataloging historical documents.

By taking these steps, we can ensure that our cultural heritage survives the test of time and continues to inspire future generations.

Question 12.

- A. many
- B. much
- C. few
- D. a great deal of

Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the option that best fits each of the numbered blanks from 18 to 22.

Sustainable travelling, (18) _____, is becoming increasingly popular as people become more aware of the environmental impact of traditional travel. Travelling in a sustainable way means reducing carbon footprints and respecting local cultures and ecosystems. For instance, (19) _____ by choosing eco-friendly accommodations, using public transportation, or supporting local businesses that prioritize sustainability. However, there are also challenges, such as the tendency for some to prioritize convenience over environmental concerns, which can lead to unsustainable practices.

While sustainable travelling is often seen as a positive trend, (20) _____. Choosing to fly less frequently, for example, can significantly reduce carbon emissions, but it requires travelers to be mindful of alternative options. Furthermore, (21) _____, ensuring that they contribute positively to the local economy and culture. Travel companies also play an essential role in promoting sustainable tourism by offering packages that prioritize environmental conservation and social responsibility.

In conclusion, sustainable travelling is not just a passing trend but a long-term shift towards more responsible tourism. (22) _____, individuals, communities, and governments can together create an environment where sustainable travel becomes the norm rather than the exception. By doing so, we can ensure that future generations are able to enjoy the beauty of the world without compromising its preservation.
