

BIRDY - Surrender

Strangest wilderness
The heart drifts from hot to
You think it can't make up its mind
But it's always known
Suddenly it's known

And if I could reach the Northern

Maybe then I'd it all
 I try so hard to fight
When all I want to do is fall
Into the
Into your , surrender

Delays on the District line
Looking at on my phone
And I said I didn't but I lied,
mm
Told myself I let you
Told myself I let you go

understand

inside

always

sometimes

pictures

suddenly

cold

lights

miss you

night

go

arms

understand –
sometimes –
suddenly –
lights –
miss you –
