The Natural History Museum

This is one of my favourite places to visit. I've learned a huge amount about animals and plants
(27) time I've visited. I've even seen bits of rock from the moon!

The building's really beautiful and it's easy to find your way around. There are hundreds of interesting things on display, but (28) you like dinosaurs the best time (29) see them is during term-time. I've been twice in the school holidays and the queue was (30) long that I wasn't able to visit that part (31) the museum.

You'll probably want something to eat while you're there. You can take (32) own picnic and eat in the museum garden, or try one of the two museum cafés.
