Next Thursday is going to be my younger sister's birthday. She is going to be 10 years old. We are going to have a simple but awesome birthday party.

My sister gave us the idea to celebrate her birthday last week. She is a creative girl so she wants to include Art and Creativity. In other words, everything for the party will be handmade.

Everyone has their own job. My siblings and I are going to create handmade decorations. My sister would like to decide the theme and tell us what to make. We would like to paint, cut, glue, draw, and do many more creative activities. We are going to start doing it tomorrow. Our father is going to buy everything we need for the decoration. Our mother is going to make the birthday cake and prepare food as well as drink. I believe it would like to be the coolest party we have ever had.
