

**Write an essay about shopping habits among people nowadays.**

**You must include:**

- What was your recent purchase
- Do people prefer to shop in physical shops or go for online shopping
- Does shopping make people happy – Why or why not?

**Match each of the ideas to the correct part of the essay prompt. Two of the ideas do not belong.**

Essay Requirement	Your Answer
1. What was your recent purchase	
2. Physical shops or online shopping preference	
3. Does shopping make people happy – Why/Why not?	

**Ideas:**

- I bought a wireless headset last weekend.
- Shopping releases dopamine and can improve mood.
- My brother loves to play mobile games.
- Some people enjoy browsing products in stores, while others like the convenience of shopping online.
- I think the red dress looks better on you.
- Shopping helps people relieve stress after a long day.

Essay Requirement	Your Answer
1. What was your recent purchase	
2. Physical shops or online shopping preference	
3. Does shopping make people happy – Why/Why not?	

**Ideas:**

- Some people shop when they're feeling down or stressed.
- Shopping gives a temporary sense of satisfaction to many.
- Online shopping saves time and offers more variety.
- My recent buy was a sleek new phone case.
- My cousin is training for a marathon.
- I love writing short stories in my free time.
