LIVEWORKSHEETS

Task 2: Read the passage and write True or False.

MONKEYS

Monkey is a mammal. Monkeys are interesting animals. They have got hair on their body and they have got a tail. They like fruits and vegatables. They like bananas very much. But they can eat insects, too. They are clever animals. They can use stones, climb trees and they can peel fruits. They live in the jungle and forest and they sleep on the trees. They are intelligent, funny and amazing animals.

***Questions**:
