

## FICHA INTERACTIVA MATEMÁTICA– 2°

### Ficha de Refuerzo N°2

**Resuelve el siguiente problema:**

Keny y Amaru quieren saber cuántas canicas juntaron. Para ello, las han agrupado en bolsitas de 10 en 10.

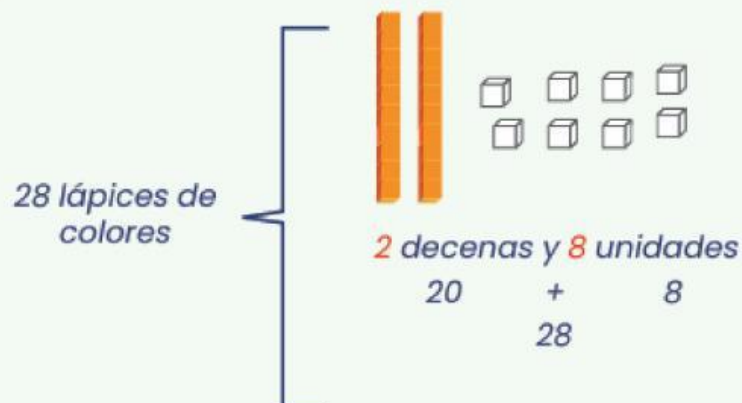

**Entonces**

Keny tiene \_\_\_\_\_ D y \_\_\_\_\_ U en total, \_\_\_\_\_ canicas

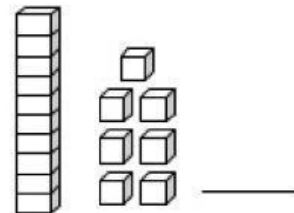

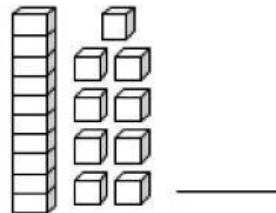

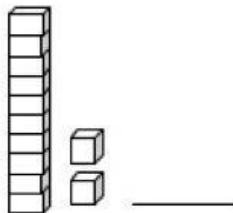

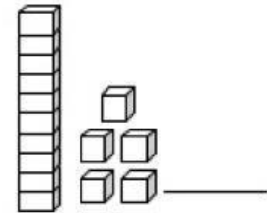

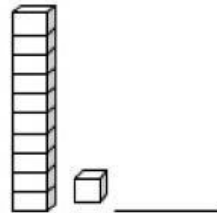

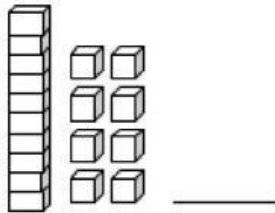

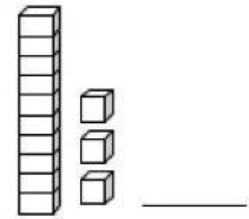

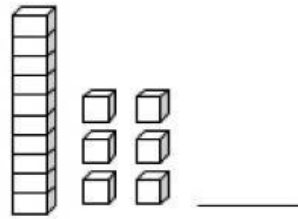

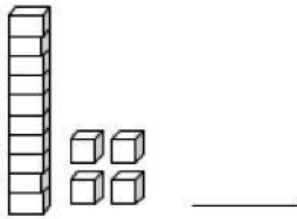

Amaru tiene \_\_\_\_\_ D y \_\_\_\_\_ U en total, \_\_\_\_\_ canicas

### ¡Recuerda!

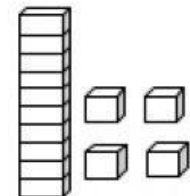

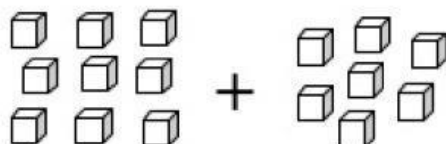

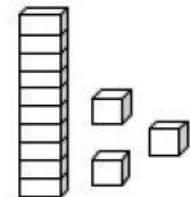

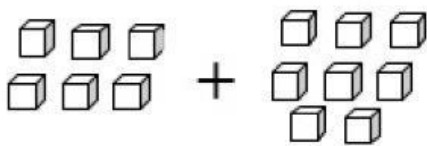

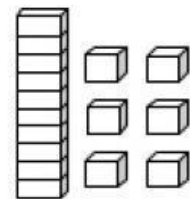

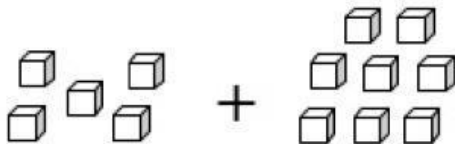

Podemos representar una cantidad de diversas formas, usando el material base diez.

**Escribe el número correspondientes:**

**Suma las cantidades y une con su resultado:**

**Pinta el número correcto:**
