G

Read Hilda's letter. Then check (✓) four true statements. (4 POINTS)

Dear Paul,

Austin is a great city. I really like it here! There's always a lot to do. Every day after class, I walk down Guadalupe Street. I always like to go to my favorite coffee shop in the afternoon and meet my friends there for coffee. In the evening, there is always something interesting to do in town or near the university. For example, I sometimes see a foreign movie, and I often listen to live music.

On Saturday, my friends and I sometimes take the bus to San Antonio for the day. I love the shops and restaurants there. It's a great city for walking. We almost always walk along the River Walk and have lunch at a restaurant by the river. After lunch, we always go shopping.

On Sunday, I sometimes like to play tennis with friends, or we watch sports on TV, like a football game or a basketball game. I think American football is very exciting!

Well, that's all for now. Hope to hear from you soon!

*Take care,
Hilda*
