**Task 1: Read and answer the questions:**

Tom and Jack are brothers, but they are very different. Tom is taller and stronger than Jack. He loves playing football and often runs in the park. Jack prefers reading books and watching movies. He is quieter than Tom. Tom gets up earlier than Jack because he has football practice in the morning.

Jack stays up later at night to read his favorite stories. Tom is also more active than Jack. On weekends, Tom goes hiking, while Jack stays at home. However, Jack is more careful and always finishes his homework before playing. Even though they are different, they are good friends and help each other when needed.

1. Who is taller, Tom or Jack?
2. What does Tom like doing in his free time?
3. Who is quieter?
4. Why does Tom wake up earlier than Jack?
5. What does Jack usually do at night?
6. Who is more active on the weekend?
7. What does Jack do before he starts playing?
8. How is the relationship between Tom and Jack?
