This is the end, you know

Lady, the .....we had went all wrong

We ain't nothing but fight and shout and tears

We got to a ..... I can't stand

I've had it to the limit; I can't be your man

I ain't more than a ..... away from walking

We can't cry the ..... away

We can't find a need to .....

I slowly realize there's ..... on our side

Out of my ....., out of my mind

Out of the tears, we can't deny

We need to swallow all our pride

And leave this mess .....

Out of my head, out of my bed

Out of the ..... we had, they're bad

Tell them it's me who ..... you sad

Tell them the fairytale gone bad

Another ..... and I bleed

They all make mistakes and so did we

But we did something we can never ..... back right

Find a new one to fool

Leave and don't .....back, I won't follow

We have nothing ....., it's the end of our time

There's no..... rabbits in my hat to make things right
