Ooh
I, I just woke up from a _____
Where you and I had to say goodbye
And I don't know what it all means
But since I _____, I realized
_____ you go, that's where I'll follow
Nobody's _____ tomorrow
So I'ma love you every night like it's the last night
Like it's the last night

If the world was ending, I'd wanna be _____ you
If the party was over and our time on Earth was _____
I'd wanna _____ you just _____ and die with a smile
If the world was ending, I'd wanna be _____ you

Ooh
Ooh, _____, _____ in the words that we scream
I don't even wanna do this anymore
'Cause you already know what you mean to me
And our love's the only _____ fighting for
_____ you go, that's where I'll follow
Nobody's _____ tomorrow
So I'ma love you every night like it's the last night
Like it's the last night

If the world was ending, I'd wanna be _____ you
If the party was over and our time on Earth was _____
I'd wanna _____ you just _____ and die with a smile
If the world was ending, I'd wanna be _____ you
Right _____ you
_____ you
Right _____ you
Oh-oh, oh
If the world was ending, I'd wanna be _____ you
If the party was over and our time on Earth was _____
I'd wanna _____ you just _____ and die with a smile
If the world was ending, I'd wanna be _____ you
If the world was ending, I'd wanna be _____ you
Ooh
I'd wanna be _____ you
