

Reading Text: The School Garden

Last Friday, the students of Class 7B worked on a project in the school garden. They started at 8:30 a.m. and wore old clothes and gloves. The sun was shining, and it was a warm day.

In the garden, they planted flowers and vegetables. First, they cleaned the area and removed the weeds. Then, they planted seeds for carrots, tomatoes, and sunflowers. Some students watered the plants, and others painted signs.

They had a picnic lunch outside. After lunch, the teacher gave them a worksheet with garden facts. The best answers won stickers. Everyone enjoyed the activity and felt proud of their work.

1. What did the students do in the school garden?

2. Why did the students wear gloves?

3. What kind of seeds did they plant?

4. What did the teacher give them after lunch?

5. What did the best answers win?
