I also download it or I get it from my friends. I love music from my favourite band "THE RATTLES". Do you have a favourite band?

Let me think, my least favourite band is THE RATTLES!! 😊 – no, it is a joke! I can't think of any! And your least favourite band?

I really hate singers that sing about problems and wars like the rapper RAY-BOY.

Well, I love a lot of bands but my favourite one is THE RATTLES from Ireland. Do you have a least favourite band?

I like "Always yours" by the band THE RATTLES best. And what is your favourite song?

I think it is the rapper RAY-BOY with his band!

I download most of the music from Spotify and sometimes I listen to the radio. Where do you get your music from?
