

ESP 3 - INFORMATION TECHNOLOGY – PART 1

UNIT 1. COMMUNICATIONS

Get ready!

1 Before you read the passage, talk about these questions.

- 1 How many ways can businesses communicate with each other?
- 2 What are the benefits of different kinds of electronic communication?

1 barcode

2 instant message

3 PDA

4 smartphone

5 email

6 EPC

ClarkAndrews00: Hello, Sandy. Are you there?

SandyHammond: Hi, Clark. What can I do for you?

ClarkAndrews00: Sorry to contact you with an **instant message**. But email doesn't seem to be working right now. I never got a confirmation on the message I sent last week.

SandyHammond: We never received that. Did you send it with an **attachment**?

ClarkAndrews00: Yes, I attached my order receipt.

SandyHammond: It must have ended up in my **spam** folder. I apologize for the confusion.

ClarkAndrews00: It's okay. What is the status of my shipment?

SandyHammond: Unfortunately, we're having technical difficulty **scanning** the product **EPCs**. However, we have **UPC** products ready to ship immediately.

ClarkAndrews00: Those will be fine. We have equipment that can read **barcodes**.

SandyHammond: Do you have a **PDA** or smartphone? We could update you via email.

ClarkAndrews00: I have a cell phone, but my data plan doesn't support email. Voicemail or text messages will work.

SandyHammond: I'll **text** you then.

ClarkAndrews00: What's the number?

SandyHammond: 555-9854. Thanks.

1 Before you read the passage, talk about these questions.

1. How many ways can businesses communicate with each other?
2. What are the benefits of different kinds of electronic communication?

READING

2 Read the instant message conversation between a client and a supplier. Then, choose the correct answers.

1. What is ClarkAndrews00 sending an instant message about?
A He wants to find the out status of his shipment.
B He received UPC products instead of CFCs.
C He is getting files sent to his spam folder.
D He wants to order equipment that can read barcodes.
2. Why did Clark's email end up in Sandy's spam folder?
A Sandy's email does not work.

- B He sent it to her smartphone.
 C The email had an attachment.
 D He sent it from his cell phone.
3. What can you infer from the conversation?
 A Sandy does not like texting clients.
 B Clark plans on buying a smartphone.
 C Clark is not familiar with technology.
 D Sandy has a cell phone that can send texts.

Manager: Did you explain the problem scanning the 2 _____?

Representative: Yes. He said it was okay to just send products with UPCs

Manager: 3 _____. He's an important client.

Representative: I said we'd update him with 4 _____ as things progress.

Manager: Well, I need to talk to people who handle our EPCs. Can you make sure his order gets taken care of?

Representative: Sure. I'll tell shipping to scan it this morning.

Manager: Text him when it's 5 _____ and again when it ships.

UNIT 2. ENTERTAINMENT AND SOCIAL NETWORKING

GET READY!

CENTRO GALAXY ADVERTISING
To: Employees at Galaxy Advertising
Subject: Gaming/Social Networking Markets
Gaming and social networking sites offer exciting markets for advertising the new line of Centro computers. Their popularity ensures that many people will view the ads. When people talk together online, we want them to see and discuss the new Centro.
A social networking site lets us create a profile and handle related to the new computer. We will update people about it in posts that appear in our news feed. We could also have a link to a blog with information about the Centro. People will be able to discuss the computer in a forum that we set up.
Gaming sites are another market we should use. Most Massively multiplayer online role-playing games (MMORPG) feature virtual worlds. These worlds allow us to create billboards that advertise our new computers. We can also create avatars relating to the Centro that people can interact with.

The collage features several elements: 1. A social media profile with a person's photo and details. 2. A news feed with various posts. 3. A blog titled 'The English Blog'. 4. A forum with discussion threads. 5. A virtual world with a game interface. 6. An avatar of a person in a red cape.

❶ Before you read the passage, talk about these questions.

1. How can social networking sites help businesses?
2. Why do people use social networking or gaming sites?

READING

❷ Read the memo sent to employees at an advertising firm. Then, mark the following statements as true (T) or false (F).

1. Updates will appear in posts on the news feed.
2. Billboards in a virtual world can feature ads.
3. The firm created a link to a gaming site with product information.

VOCABULARY

❸ Choose the word that is closest in meaning to the underlined part.

1. Jack created an image in a computer game that represents a person.
A. MMORPG B. link C. avatar
2. Put your email on your webpage with personal or identifying information.

- A. profile B. forum C. link
3. Click on that word or set of words on a website or document.
A. feed B. link C. virtual world
4. Create a name that a person uses to access an account.
A. handle B. forum C. blog
5. Ask someone on the website where people can discuss topics.
A. virtual world B. post C. forum
6. New games create an online environment.
A. avatar B. virtual world C. link
7. Read this website with posts about personal activities and interests.
A. handle B. blog C. feed
8. Please leave a message on a website.
A. post B. MMORPG C. handle

4 Fill in the blanks with the correct words from the box.

gaming	MMORPG	feed	social networking
