

Part 1

Question 1

Where does the man think he last saw his keys?

Man: Hiya. I've just got into work and realised I don't have my house keys in my 1..... Could you have a look to see if you can find them? The last thing I remember is putting them on the 2..... when I was having breakfast, but I'm sure I picked them up. I sometimes leave them on the 3..... while I'm getting ready, or maybe they fell out of my pocket and they're on the 4..... Call me back if you find them.

Which of the following needs attention?

Man: Barbara, it's me, Charlie. I've just got back from work. I've noticed the 1..... in the 2..... has been broken. I think one of the 3..... came down from next door's tree during the 4..... and hit it. The 5..... is in front of the garden gate. I'll call someone to have a look at it tomorrow. See you when you get home from work.

Question 3

PET 03 T4

Boy: How's your new apartment?

Girl: Fine. I've got no complaints about my new 1..... – the one I had before was tiny. The view's not so good now, though. We're not so high up and you can only see it through the 2..... It was so nice to be able to sit outside with a drink and look down at what was going on in the 3..... below. There was no big fire in the 4..... at the old place, though, so where we are now is much warmer.

Question 4

What is the woman interested in buying?

Man: Hello, madam. Can I help you?

Woman: Yes, hello. I was in here the other week. You were showing me some of the 1..... you have.

Man: Yes, I remember. Have you chosen one you like?

Woman: I've changed my mind about that now. But I was looking at the 2..... over there. I'm wondering whether it would fit in my room. I have quite a large 3..... and I'm not sure there's enough space. Could you tell me how long it is?

Man: No problem, I'll measure it for you.

Question 5

PET 02 T8

What is it that needs replacing?

Woman: I'm going into town later. Did you say the 1..... wasn't working? I might get a new one.

Man: I thought there was something wrong with it but it's OK. We did say we would get another 2..... Have you noticed the 3..... doesn't shut properly?

Woman: I know but I can't carry one of them back home on my own. Let's look for one at the weekend.

Man: OK. Hopefully the 4..... still works. Do you want a cup of tea?

Question 6

PET 03 T5Q5

Boy: Oh hi Jason, it's Harry. I've just gotten home and realised that I've left something at your place. You know the 1..... we were working from for our homework – it was on the 2..... in your bedroom. I think the 3..... I brought with me may be just underneath it. I thought about it when I was getting ready to leave, but then I started showing you my new 4..... and I just forgot. Could you have a look, please, and bring it into school tomorrow? Thanks.

When does the caller want to move into the flat?

Man: Hello, I'm just phoning about the flat I went to look at yesterday. I really like it and I'm planning to come in today to ask a few questions before I sign the 1..... Your colleague told me it was possible to move into the flat from the 2..... of August. However, I'm away on business until the 3..... of August so wouldn't be able to move in that early. Is it possible to wait until the 4..... of September and start paying rent from then?
