

"Two Dreams, Two Paths"

Marta is a film student. She works hard and believes in planning.
"If I get a job on a real set, I will learn fast," she says.
She applies to internships and sends emails every day.
"If I work with professionals, I will understand the process better."

Leo also loves movies, but he prefers to imagine.
"If I were a director, I would make a fantasy film," he says.
He often watches behind-the-scenes videos and dreams big.
"If I had my own team, we would create something amazing."

Two people, two paths — both chasing their film dreams.
