

## Greetings and Basic Introductions.

**Objective:** Reproduce correct greetings and short introductory sentences in English, paying attention to capitalization, spelling, spacing, and basic punctuation.

### Instructions:

In this activity, you will find a numbered list of words and phrases related to basic greetings and introductions in English. Your task is to reproduce (copy) each one exactly in the provided spaces.

Pay special attention to:

- Spelling and Capitalization (big and small letters): Copy the words and phrases with spelling and capitalization identical to the original.
- Spacing: Make sure the spaces are good between words and letters.
- Punctuation: Use the correct punctuation marks (periods, commas, question marks, etc.) where necessary.
- After copying all the numbered phrases, write your full name at the end of your list.

1. Hello.
2. Good morning.
3. My name is...
4. Nice to meet you.
5. How are you?
6. I am fine, thank you.
7. What is your name?
8. Goodbye.
9. See you later.
10. Good afternoon.
