LIVEWORKSHEETS

Picture	Definition	Quote
	A stone or curved structure that forms a kind of doorway or entrance	"This plant looks strange," said Mr. Reed, frowning.
	A smooth, paper-like material used for writing or drawing	The thorns protect the plant and help keep pests away.
	Loyal and true to promises or beliefs	By then, the mythical thorny bush had wrapped itself all around the stone wall at the village entrance.
	Shy and quiet, not comfortable speaking or showing feelings openly	"It sounds dangerous. You could bring trouble to our village," she warned.
	Strange or unusual	"I want to try planting it," Flora whispered softly, her cheeks blushing red with nervousness.
	Unhappy and without hope	Flora remained hopeful.
	Covered with sharp points that can hurt	When Flora inspected the paper more closely, she realized there was a small seed attached.
