

happier
by Olivia Rodrigo

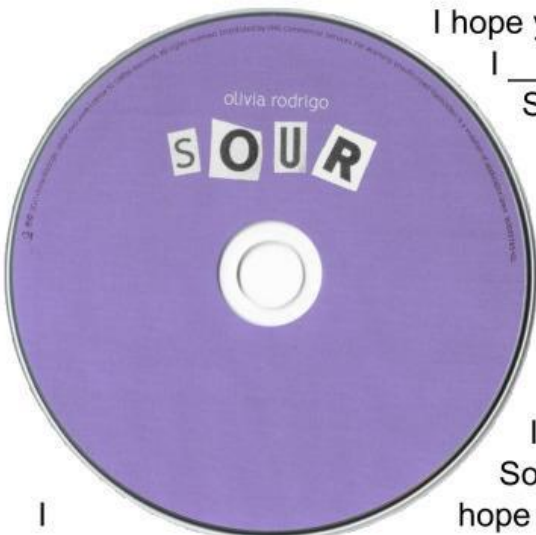

We broke up a month ago
Your friends are mine, you know, _____
You've moved on, found someone new
One more girl who brings out the _____ in you

And I thought my heart was detached
From all the sunlight of our past
But she's so sweet, _____
Does she mean you forgot about me?

Oh, I hope _____
But not like how you were with me
I'm _____, I know, I can't let you go
So find someone great, but don't find no one _____
I hope you're happy, but don't _____

And do you tell her she's the _____ girl you've ever seen?
An eternal love bullshit you know you'll never mean
Remember when I believed you meant it when you said it first to me?
And now I'm pickin' her apart
Like cuttin' her down will make you miss my wretched heart
But she's beautiful, she looks kind
She probably _____

I hope _____
But not like how you were with me
I'm selfish, I know, I can't _____
So find someone great but don't find no one better

I hope you're happy
I _____ all the _____, really
Say you love her, baby, just not like you loved me
And think of me fondly when your hands are on her
I hope you're happy, but _____
Ooh, ooh-ooh, ooh-ooh
Ooh-ooh

I hope _____
Just not like how you were with me
I'm _____, I know, can't let you go
So find someone great, but don't find no one better
hope you're happy, but don't be happier
