

I CAN COUNT FROM 1 TO 10

1. Match the number with the Word.

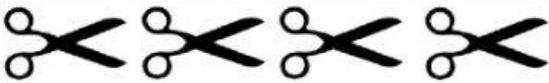

0		Five
1		Eight
2		One
3		Ten
4		Zero
5		Nine
6		Four
7		Two
8		Six
9		Three
10	Seven	

2. Count and write the number.

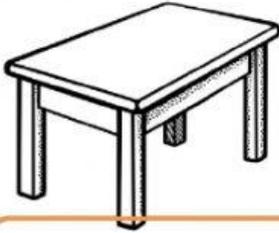

Example:  *How many books are there?
*There are three books.

 *How many balls are there?
*There are _____ balls.

 *How many pencils are there?
*There are _____ pencils.

 *How many scissors are there?
*There are _____ scissors.

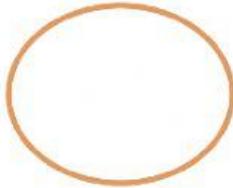

3. Count these objects in your house and write the numbers (figures and letters). Contar estos objetos en casa y escribir el numero tanto en figura como en letras.
