

Female UFC Fighter Beats Up Mugger

UFC (Ultimate Fighting Championship) Polyana Viana was waiting for a ride in Rio de Janeiro on Saturday when a man who claimed to have a gun told her to hand over her cell phone. The championship fighter two and a kick before putting the mugger in a choke hold and calling the police. The man's gun turned out to be made of cardboard. UFC president Dana White a picture of Viana and the man on his Instagram account and suggested he messed with the wrong woman.
