Hana and Si-woo's Trip to Australia

Hana is a 12-year-old girl. Her little brother, Si-woo, is 7 years old. They live in South Korea. Last month, Hana and Si-woo went on vacation to Australia with their parents. It was their first time on an airplane, and they were very excited!

In Australia, the weather was hot and sunny. They visited beautiful beaches. Hana swam in the ocean, and Si-woo made a big sandcastle. They also saw many animals. One day, they went to a park and saw a kangaroo jumping! Hana gave the kangaroo some food, and it ate from her hand. Si-woo laughed and said, "It's so soft!"

Another day, they went to a big zoo. Hana saw a crocodile and got scared. Si-woo said, "Don't worry, it's behind the glass!" At the zoo, they also saw colorful birds and sleepy koalas. They took lots of pictures and learned new English words from a kind guide.

On their last day, they ate fish and chips at a small restaurant near the beach. "I want to come back next year," said Hana. "Me too!" said Si-woo. They had a fun and happy vacation in Australia. Now, they are back home and ready to tell their friends about their trip.
