

The good and the bad side of Fast Fashion

In this activity, you will learn about fast fashion. You will read and listen to short sentences. Then, you will decide if each one is a  **Good Thing** or a  **Bad Thing** about fast fashion.

1.  **Cheap clothes** – Clothes don't cost much money
2.  **New styles every week** – Fashion changes quickly
3.  **Wastes a lot of water** – Making clothes uses too much water
4.  **Many choices** – Many colours and styles in stores
5.  **Pollutes the air** – Factories make dirty smoke
6.  **Poor quality clothes** – Clothes break or rip easily
7.  **Workers not paid well** – Some people work long hours for little money
8.  **Lots of clothes in the trash** – People throw away clothes quickly
9.  **Trendy styles** – You can follow fashion easily
