Writing task (25 points)

You should spend 40 minutes on this task. You have to write between 120-150 words. Organize your writing in paragraphs (introduction, main part/ main points, ending) discussing all points.

Write what you imagine a day without a computer, TV and mobile phone would be like. Describe:

- how you would feel, why;
- how you would spend the day;
- what you could learn from this experience.

When you have finished the task, check what you have written and send your answers in ten-minute time.
